# Pilot. The better ball point pen.

**When it runs out  
you won't have to.**

**The exciting Pilot Ball Point. It's got everything going for it. Smoother writing. Specially designed finger ribbing for continual writing comfort. Stainless steel point. Tungsten carbide ball. Perfectly balanced. A choice of medium or fine points. And best of all...you'll never throw it out.**

**Just slip in a 39c refill and you're ready to write again. So next time your old scratchy see-thru pen runs out, run out and get a 69c Pilot Ball Point pen... plus a few refills.**
