EVENTS — FEBRUARY 19

Postcolonial Politics in Paris

Michael Bosia, a writer on French political issues, will speak about an HIV/AIDS advocacy group's stance on the outsourcing of experimental medical trials in a lecture titled "AIDS and Science: The Post Colonial Politics of Act Up Paris."

Buell Hall, East Gallery, 12 p.m.

Environmental Awareness

Kate Sinding, BC '92, and a senior attorney at the Natural Resources Defense Council, will illuminate the environmental and public health concerns that go along with New York State drilling for natural gas in the Catskills.

312 Math, 1 p.m.
