

1. Dormitory:  Schapiro  McBain  John Jay  Carman Floor number: \_\_\_\_\_

2. Are you:  Female  
 Male

3. Have you ever attended an AIDS education session before tonight?  
 If yes, where: high school course, special assembly, public lecture,  
 other? (write in space below)  Yes  
 No

4. Do you think this type of AIDS floor talk should be presented to first-  
 year students again next year?  Yes  
 No  
 Not sure

5. Please estimate the percentage (0%–100%) of your acquaintances  
 who have had intercourse (rectal or vaginal) without using a condom \_\_\_\_\_ %  
 (or who have shared needles for drug or steroid use):

6. Please estimate the percentage (0%–100%) of your sexually-active  
 acquaintances who have tested negative for HIV infection: \_\_\_\_\_ %

7. A hypothetical sexual partner assumes that he or she is at low risk  
 for HIV infection, but this partner has never been tested.  
 How long would you need to know this partner before you would  
 be willing to have unprotected intercourse with him or her?  
 Days  Months  
 Weeks  Years  
 Until a negative HIV test  
 Other (write comments below)

8. Assume you meet a potential partner for sexual intercourse (penile-vaginal or penile-rectal).  
 At what point would you take action about condom use?

<input type="checkbox"/> Right after introducing yourself	<input type="checkbox"/> Before any physical contact (such as kissing or sexual touching)	<input type="checkbox"/> Just before insertion of the penis
<input type="checkbox"/> When you feel sure that the other person is sexually interested	<input type="checkbox"/> After your first physical contact	<input type="checkbox"/> After insertion but before ejaculation
<input type="checkbox"/> Before you are alone with the other person	<input type="checkbox"/> As you prepare for intercourse (remove clothes, prepare birth control, etc.)	<input type="checkbox"/> Never
		<input type="checkbox"/> Other (write comments below)

9. Have you been told that anyone you know is HIV infected?  
 Either way, how do you think this has affected you?  
 (Write below or on back)  Yes  
 No

10. Please add any general comments, criticisms, observations, or recommendations:
