

9HAP

group 1

10/15/85

first group (13 + Eric + me)
all present - but Adam is 20 mins. late + Danny
is 35 late
we sit in the following way:

we drink champagne from specimen ~~free~~ cups to
celebrate the start of the program - a feeling of energy,
attention, + good will in the room with some tension -
we start with a lot of "business" - setting our
contract + boundaries - smoking debate - the non-smokers
win - our insistence on associates coming on time / calling
when they don't come - confidentiality - offer to talk
to us individually ; / upset - ^{READING} assignment to read
for next week (on immune system) and give each
adv. a packet of material -

- J. Kessler - Gay Men's Health
- D. Altman - from Socialist Review "The
Politicization of AIDS"
